In view of the observation of Hearing Committee based on the submission made by the college representatives during hearing and assessment report has been carefully examined in terms of concerned Regulation and provisions under the NCISM Act, 2020 and relevant regulations thereunder, and board decided that the college is not fulfilling the **basic eligibility criteria for issuance of conditional permission for UG (BAMS) Course under section 28 of NCISM Act 2020 for the Academic Session 2023-24, but Board decided to issue Conditional Permission as per the approved Seat Reduction Policy in accordance of Section 28 (1) (f) of NCISM Act 2020 for failing to maintain the minimum essential standards for the Academic year 2023-24, wherein it is mentioned that:-**

a. "For deficiency of **every one teacher**, seat reduction in the intake capacity shall be considered by reducing the intake strength by 5 % of total intake capacity."

Accordingly as per Schedule-V Note (iii) of MSR 2016 the deficiency of teacher for up to sixty intake capacity shall not exceed more than ten percent of total requirement. As per the Hearing Committee observation and approval of Minutes in the 48th Board meeting of MARBISM, college is having only 22 total eligible Teaching faculty.

There is deficiency of 05 teachers for issuance of Conditional Permission for academic session 2023-24 as per Schedule-V Note (iii) of MSR 2016. **Therefore, in accordance of Reduction policy 2023-2024, for deficiency of every one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 25% of total intake capacity.**

Hence, after applying the seat reduction policy 2023-24 under section 28 (1) (f) of NCISM Act 2020 college is fulfilling the basic eligibility criteria for issuance of **conditional permission with 45 seats (56 seats including EWS) [instead of 60 seats (75 seats including EWS)] in UG (BAMS) course for the academic session 2023-24 under section 28 of NCISM Act, 2020.**

7. Therefore, in view of shortcomings and deficiencies mentioned as above, **Conditional Permission is issued to Bundelkhand Govt. Ayurvedic College & Hospital, Jhansi, Uttar Pradesh (AYU0246) with 45 seats (56 seats including EWS) [instead of 60 seats (75 seats including EWS)] in UG (BAMS) course for the academic session 2023-24 under section 28 of NCISM Act, 2020 and relevant regulations thereunder for the academic session 2023-24** subject to the following:-

I. It is further informed that minimum 15% of undergraduate seats of the permitted intake capacity **with 45 seats (56 seats including EWS) [instead of 60 seats (75 seats including EWS)]** shall be treated as All India Quota. The counseling for seats under All India Quota shall be conducted by respective counseling authority as designated by Central Government for A.Y. 2023-24 and counseling for the remaining 85% seats or as the case may be, shall be conducted by the concerned counseling authority of that State/UT. **The permission of the college stands withdrawn if the college fails to comply with the aforesaid direction of the Central Government/NCISM for All India Quota or the students admitted thereunder**

8. Admissions made in violation of the above conditions will be treated as invalid and action will be initiated under NCISM Act & Regulations thereunder.

9. Further, **as per Sub-section (7) of Section 29 of NCISM Act, 2020**, The Medical Assessment and Rating Board for Indian System of Medicine may conduct evaluation and assessment of any University or medical institution at any time, either directly or through any other expert, having integrity and experience in medical profession, without any prior notice and assess and evaluate the performance, standards and benchmarks of such University or medical institution and if the college is found to be not maintaining the Minimum Essential standards as specified in the concerned Acts & Regulations then **in accordance of Section 28 (1) (f) of NCISM Act, 2020 the issued permission of the college shall deemed to be withdrawn and denial of permission shall be issued by MARBISM for stoppage of admission for that particular or the subsequent academic year.**

10. Discrepancies, if any, may be immediately brought to the notice of Medical Assessment and Rating Board for Indian System of Medicine, NCISM.

11. **The following requirements should be fulfilled by the college by 31st December, 2023 and send a compliance report to get permission for the session 2024-25: -**

- All the requirements of the Indian Medicine Central Council (Minimum Standards of Education in Indian Medicine) Amendment Regulations, 2016 (for Ayurveda).
- All the requirements under the provisions of the NCISM Act, 2020 and relevant Regulations made thereunder should be fulfilled in toto.

12. The fulfillment of the conditions given above may be made within the time period specified and compliance report should be submitted by the college to President, Medical Assessment and Rating Board for Indian System of Medicine. The Medical Assessment and Rating Board for Indian System of Medicine will verify that the conditions have been fulfilled for considering the permission for the academic session 2024-25.
